Complete Private Medical Care

Clinicheck is a private organisation based in Harley street, London's premier medical area. We offer a broad array of services, including consultation with private GPs and specialists, a full range of blood testing and diagnostic imaging as well as nutritional support and coaching.

Our priority is to accommodate all your medical requirements within 24 or 48 hours from your phone call. Clinicheck's motivated staff will address all your queries and provide full support to resolve all your health concerns.

Private GP

Do you have a health concern that needs to be assessed quickly? Call in confidence on 0845 6100 670 or email medical-department@clinicheck.com for a guaranteed same day appointment. If required, blood samples or other diagnostic tests are performed on site. Private prescription service is also available.

Fees: £ 100 (on site, initial consultation), £ 90 (follow up consultation), £ 140 (home or hotel visits within M25, 8.30am-6.30pm Mon-Fri).

Specialist Consultants

Do you need to see a specialist for a specific health concern? We can arrange a consultation for you at short notice (24-48 hrs) with one of our specialist consultants. You do not necessarily need to have a referral letter in place to be seen by one of our specialists although several procedures like biopsies or functional tests do require a referral letter.

If needed, blood samples, diagnostic imaging and functional tests are performed on site.

Specialist Consultants include:

Andrology	£ 220
Cardiology	£ 250
Ear Nose and Throat	£ 250
Dermatology	£ 220
Endocrinology	£ 285
Gastroenterology	£ 285

Plastic Surgery	£ 260
Pediatrics	£ 200
Psychiatry	£ 250
Psychotherapy	£ 220
Sexual Health	£ 240
Surgery	£ 220

Consultation fees do not include blood tests and/or diagnostic imaging investigations. To

discuss, please call us on 0845 6100 670 or email medical-department@clinicheck.com

Health Screening-Well Man/Well Woman

One of our five star services is health screening that combines **35 blood tests** that can be paired with a medical examination. This screen is suitable for men and women of any age and aims to identify a medical condition before it gets out of control. Results are totally confidential (as all our services) and we basically recommend having this screen done on annual basis. Tests for liver and kidney function, lipid balance and blood counts, are included. Only **one** blood sample is required for all tests. Reports are posted or emailed within **24 hours** (or same day if urgent) and include a diagnostic comment in lay language.

Medical examination (heart, lungs, gastrointestinal) can also be paired to the well man/woman screening.

24 hr WELL MAN /WOMAN < 40yrs(CL1)

Acid Phosphatase, Albumin, Alkaline Phosphatase, ALT, AST, Bicarbonate, Bilirubin, Calcium, Chloride, Cholesterol, CK, Creatinine, ESR, FBC (5), Gamma-GT, Globulin, Glucose, HDL Cholesterol, Iron, LDH, LDL Cholesterol, Phosphate Potassium, Protein (total), Sodium, Triglycerides, Urate, Urea

£ 165

Fees: Men & Women up to 40 yr: **£ 165** (health screening), or **£ 250** (health screening + medical)

Men & Women above 40 yr: **£ 185** (health screening to include Prostate functional test for men or Thyroid Profile for women), or **£ 250** (health screening + medical).

Health screening is offered on site or at home (within M25, an additional **£ 60** charge applies).

24 hr WELL MAN /WOMAN > 40yrs(CL1*)

Acid Phosphatase, Albumin, Alkaline Phosphatase, ALT, AST, Bicarbonate, Bilirubin, Calcium, Chloride, Cholesterol, CK, Creatinine, ESR, FBC (5), Gamma-GT, Globulin, Glucose, HDL Cholesterol, Iron, LDH, LDL Cholesterol, Phosphate Potassium, Protein (total), Sodium, Triglycerides, Urate, Urea

+Total PSA (men) or Thyroid tests (women)

£ 185

Additional tests or profiles can be added to your health screening to address a specific concern you may have as for example sexual health profile, fertility screen, allergy screen or others. See the next

section for more details. To book a health screening a **referral letter is not required**. To discuss call 0845 6100670 or email infotest@clinicheck.com.

Diagnostic Tests and Profiles

Clinicheck is offering a complete range of about **1000 diagnostic tests** and about **60 profiles and screens** specifically designed to diagnose a new condition or to monitor an existing one.

You **do not need a referral letter** to book yourself in for a diagnostic test or profile however, some specific functional tests may require a referral letter to be provided.

Cardiovascular	Diabetes
Low Sex Drive	Thyroid Profile
Male/Female GU Infection Screening	DNA Testing Paternity-Maternity
Male Fertility Screen	Cervical Cancer Screening
Chronic Fatigue	Lipid Profile
Food intolerance – Allergy screening	Miscarriage Screening
Cancer	Osteoporosis
Female fertility Screening	Athletic & Fitness Profile

Talk to one of our medical advisers on 0845 6100670 about your health concern or email infotest@clinicheck.com and we will be able to advise which tests or profiles are the most appropriate to take up.

Diagnostic Imaging

We accommodate all your requirements for diagnostic imaging to include X-rays, Ultrasounds, CT and MRI scans in collaboration with distinguished imaging centres in the Harley street area. Call us on 0845 6100670 or email infotest@clinicheck.com to discuss a procedure or to book. Usually we are able to offer you next day appointment for most of the procedures listed below. A **referral letter is** required, although if you are a new patient or on a follow up visit, our physicians will be able to issue a referral letter, as required. All procedures below are performed by consultant Radiologists.

20 Week Pregnancy Anomaly Scan	£200

MRI Scan 2 Part	From £ 844
MRI Scan 3 Part	From £1087

Vaccinations

If you are required to travel to a place that one or more vaccinations are needed you may well use our service. **No referral is required**, you just need to talk to our medics and arrange the vaccination. We also offer a complete range of vaccinations for children. Usually, we are able to offer next day appointment and if a prescription for prophylaxis against endemic diseases is required (like Malaria), we will be able to prescribe you all the appropriate medications. Call us on 0845 6100670 or email medical-department@clinicheck.com to discuss.

Vaccination	Cost
Influenza vaccination (flu)	£ 30
HIB Vaccination	£ 30
Gardasil Vaccination	£ 150/dose
Meningitis C Vaccination	£ 35
Meningitis C + HIB combined	£ 85

VISA Medical	From £ 275
VISA Medical Report	£ 100
Absence Medical Assessment	£ 200 (1 session)
Long absence assessment	£200 x session
Rehabilitation plans	Please enquire

Nutritional Support and Coaching

Our nutritional therapists can assist you to overcome a number of problems that relate to your body weight or metabolism in general. You may experience symptoms linked to your life style (dietary habits etc.) or to an underlying condition that you are not aware of. We work closely together with medical consultants and use the latest available technologies to address your nutrition-specific concerns. In addition, specific advice is offered to address fertility and conception, menopausal syndrome and children obesity (from year 8). Next day appointments are offered to see a nutritional therapist on site. Call 0845 6100670 or email nutritional-therapist@clinicheck.com to discuss your concerns and book an appointment.

Fees: Adults £ 120, Children £ 100 (60 min consultation),

Private Prescriptions

Free Medical Consultation

Clinicheck's physicians are able to issue you a private prescription. A **1 to 1 phone consultation** with a new or a registered patient is required. All your private prescription requirements can be discussed with one of our GMC-registered physicians. Clinicheck has the **medical infrastructure** in place to consider **prescription requests** across **all** medical specialities and all conditions. Our process follows strictly **GMC regulations** for "Good Practice for Prescribing Medicines (2008)", with particular emphasis on "remote prescribing via telephone, email, fax, video link or website, clauses 39-43". For more information please visit the following link:

www.gmcuk.org/guidance/current/library/prescriptions_faqs.asp#p38

All telephone consultations are recorded.

To request a private prescription you need to do the following:

1. Call **0845 6100670** (Mon-Fri 8.30am-6pm), telling that you want to discuss a prescription.
2. You will be asked for your **name, telephone number** (mobile or landline). One of our physicians will call you back (within **15 minutes** from the time of your call) to discuss your requirement. If calling from abroad, please be aware, we **only call back landline** numbers.
3. You will be told if your request has been **approved or not**. You will also be told the total cost of the transaction, including shipping fees. Our dispensing chemists can ship prescribed medications world wide.
4. You will be asked to pay via a **debit or credit card**. We **may** approve **repeated prescriptions** when treatment duration can take more than **4 weeks**.

We **do not** ship medications to the **same postal address** more than **once** every calendar **month**. We also **do not** ship medications to **PO Boxes** or to **business** addresses.

Occasionally we may ask you to **email us or fax** a script or other medical certificates you have had at the past from your doctor, in order to consider your requirement. We may ask you to email us prescriptions you have had at the past. Use private-prescriptions@clinicheck.com or fax them to 0870 2853216 (+448702853216 from outside the UK).

Clinicheck is not offering private prescriptions for controlled medications via an **online or phone** consultation. A **face to face** consultation with our physicians is required for controlled medications to be prescribed (subject to a diagnosis justifying such a medication). Controlled medications **cannot be shipped in the UK or abroad**.

Fees: Medical consultation is offered at no charge. You will pay for your medications and shipping charges only.

Diagnostic Services @your Pharmacy

Have a health screen or check up done at your local Pharmacy

Clinicheck has partnered with **160** pharmacies across **London, Essex and Kent** where you can get a health screen done or to take all blood tests required to monitor an existing medical condition. You may discuss your concerns with Clinicheck's medical staff and then go to a pharmacy near your home for a blood sample, without wasting time to travel or to wait for an appointment.

If you are interested in a **single test** and not in a profile or screen, visit www.clinicheck.com to see our complete range of tests and prices.

Blood samples are taken in Pharmacy's **consultation room** and all your concerns are addressed in **strict confidentiality** by Clinicheck's staff. Result **reports** are posted directly to your home address and our consultants will **call you if advice is required**.

Visit www.clinicheck.com to find your nearest pharmacy and book a profile or screen online.
